

PREMIUM - CUSTOM

ABOUT US

WE OFFER PREMIUM HANDCRAFTED GAMING & ENTERTAINMENT SYSTEMS THAT COMBINE HIGH-END CRAFTSMANSHIP WITH ADVANCED TECHNOLOGY FOR A UNIQUE USER EXPERIENCE.

WE'RE NOT A MASS PRODUCER, SO EACH PRODUCT IS METICULOUSLY DESIGNED AND CUSTOM-MADE LOCALLY SO YOUR PURCHASE INCLUDES A WARRANTY TO ENSURE QUALITY AND RELIABILITY.

FROM OUR 4 PLAYER JUMBOCADES, VPIN-PRO PINBALLS TO OUR COLLECTION OF UNIQUE CENTURY-OLD RESTORED JUKEBOXES. EACH PRODUCT DELIVERS A BLEND OF HIGH-QUALITY, FUNCTIONALITY, AND EXCLUSIVENESS THAT GUARANTEES AN IMMERSIVE ENJOYMENT THAT ENHANCES ANY SPACE, WHETHER IT'S A GAME ROOM, FAMILY ROOM, OR MANCAVE.

WE SPECIALIZE EXCLUSIVELY IN PC-BASED SYSTEMS DUE TO THEIR SUPERIOR CAPABILITIES & RELIABILITY.

UNLIKE NON-UPGRADABLE/UNDERPOWERED SYSTEMS (PANDORA'S BOX, "SOC" *SYSTEM-ON-A-CHIP, JAMMA BOARDS, ETC) OR RASPBERRY PI-BASED UNITS, OUR OFFERINGS ARE BUILT TO DELIVER LASTING PERFORMANCE. THERE'S A REASON (IF NOT MANY) THESE ALTERNATIVES ARE SO INEXPENSIVE, WHETHER LOCALLY ASSEMBLED OR IMPORTED FROM CHINA.

HOWEVER, IF YOU ALREADY OWN ONE OF THESE LOWER-END SYSTEMS (NOT SOLD BY US) & ARE SEEKING AN UPGRADE, WE ALSO OFFER TECHNICAL SERVICES.

OUR CABINETS ARE CRAFTED WITH EXCEPTIONAL BUILD QUALITY, PREMIUM COMPONENTS, AND A JAW-DROPPING GAMING CHOICE!

ARCADES

VARIED RANGE OF MODELS, FROM OUR 2 PLAYER STANDARD MODEL TO OUR 4 PLAYER JUMBOCADES, FUN IS GUARANTEED. EASILY JUST PLUG-AND-PLAY !

PAGES 4 - 22

VIRTUAL PINBALL

EXPERIENCE AN UNPARALLELED LEVEL OF REALISM AND VIBRANCY WITH ITS STUNNING VISUALS AND IMMERSIVE GAMEPLAY. BRINGING BACK TO LIFE HUNDREDS OF PINBALL GAMES WITH JUST ONE PUSH OF A BUTTON.

PAGES 23-26

SOUND SYSTEMS

ORIGINAL RESTORED ANTIQUES, THEN TRANSFORMED INTO LUXURIOUS ONE-OF-A-KIND WIRELESS SOUND SYSTEMS. COMBINING CLASSIC ELEGANCE WITH MODERN TECHNOLOGY FOR A TRULY UNIQUE AUDIO EXPERIENCE

MODEL 50 CHASSIS IS EMPLOYED IN
MODEL 52 RECEIVER

GRIGSBY-GRUNOW COMPANY
CHICAGO, U. S. A.

A New Model at Popular Price
Giving 8-Tube Performance

Model
Eleven
Sixty-
Five

This model has a cabinet designed to present the most modern thought in home furnishing. The front panel is of beautifully matched Burt Walnut with Tiger Wood border. The Pilasters are fluted the same panels curved, of choice figured Oriental Walnut in the lower part, and Burt Walnut in the upper. The top of the cabinet is of selected Street Walnut. The chassis has all new-type Tubes with 8-tube performance. The tuning dial is full vision Aerochrome with resonance light. The speaker is a massive 10" dynamic, and every new engineering advance is embodied.

Height, 40"; Width, 25 1/2"; Depth, 12 3/4".
